Requesting Your DD Form 214 (Report of Separation)

Note: Some companies claim they can get a copy of your DD Form 214 to you for a fee. There is no need to pay a fee to a company (unless you want an expedited copy), as you can request a copy yourself, using the information and form below. Beware of "scam" DD 214 Websites. If you need an expedited copy of your DD Form 214, MNN recommends Touchstone Research Store.

The National Personnel Records Center, Military Personnel Records (NPRC-MPR) is the repository of millions of military personnel, health, and medical records of discharged and deceased veterans of all services during the 20th century. (Records prior to WWI are in Washington, DC. NPRC (MPR) also stores medical treatment records of retirees from all services, as well as records for dependent and other persons treated at naval medical facilities. Information from the records is made available upon written request (with signature and date) to the extent allowed by law.

If you are a veteran or next-of-kin of a deceased veteran, you may use vetrecs.archives.gov to order a copy of your military records. For all others, your request is best made using Standard Form 180 (PDF) (SF 180). It includes complete instructions for preparing and submitting requests. Please Note: All requests must be in writing, signed and mailed to the address shown below.

Checking the Status of Your Request by E-mail: Once you have allowed sufficient time for your request to be received and processed (about 10 days), you may check the status of your request by e-mail through the NPRC Customer Service Center at mpr.status@nara.gov. Provide the request number if you have one, the name, address and phone number of the requester, and the veteran’s branch of service to aid finding your request in the system. You will receive a return e-mail with a projected completion date for your request.

Special Note on Calling by Phone: If you have already submitted a request and need to know its status you may speak to a Customer Service Representative. The e-mail address should only be used only to request general information (hours of operations, procedures, and forms) or to submit compliments, complaints or concerns.
Order Response Times: Response times for records requested from the National Personnel Records Center (NPRC) vary depending on the nature of the request. For example, the NPRC Military Records Facility receives about 10,000 requests per week for DD-214s. Most requests take about a week to process and send back to the veteran. Extensive requests that require research can take up to a month.

DD Form 214 (Report of Separation)

Image right: Example of a DD Form 214 from the Vietnam War era (click to enlarge).

A Report of Separation is generally issued when a service member performs active duty or at least 90 consecutive days of active duty training. The Report of Separation contains information normally needed to verify military service for benefits, retirement, employment, and membership in veterans' organizations. Information shown on the Report of Separation may include the service member's:

- Date and place of entry into active duty
- Home address at time of entry
- Date and place of release from active duty
- Home address after separation
- Last duty assignment and rank
- Military job specialty
- Military education
- Decorations, medals, badges, citations, and campaign awards
- Total creditable service
- Foreign service credited
- Separation information (type of separation, character of service, authority and reason for separation, separation and reenlistment eligibility codes)

The report of separation form issued in most recent years is the DD Form 214, Certificate of Release or Discharge from Active Duty. Before January 1, 1950, several similar forms were used by the military services, including the WD AGO 53, WD AGO 55, WD AGO 53-55, NAVPERS 553, NAVMC 78PD, and the NAVCG 553.
INSTRUCTION AND INFORMATION SHEET FOR
SF 180, REQUEST PERTAINING TO MILITARY RECORDS

1. Information needed to locate records. Certain identifying information is necessary to determine the location of an individual's record of military service. Please try to answer each item on the SF 180. If you do not have and cannot obtain the information for an item, show "NA," meaning the information is "not available." Include as much of the requested information as you can.

2. Restrictions on release of information. Release of information is subject to restrictions imposed by the military services consistent with Department of Defense regulations and the provisions of the Freedom of Information Act (FOIA) and the Privacy Act of 1974. The service member (either past or present) or the member's legal guardian has access to almost any information contained in that member's own record. An authorization signature, of the service member or the member's legal guardian, is needed in Section III of the SF180. Others requesting information from military personnel/health records must have the release authorization in Section III of the SF 180 signed by the member or legal guardian, but if the appropriate signature cannot be obtained, only limited types of information can be provided. If the former member is deceased, surviving next of kin may, under certain circumstances, be entitled to greater access to a deceased veteran's records than a member of the public. The next of kin may be any of the following: unmarried surviving spouse, father, mother, son, daughter, sister, or brother. Employers and others needing proof of military service are expected to accept the information shown on documents issued by the military service departments at the time a service member is separated.

3. Where reply may be sent. The reply may be sent to the member or any other address designated by the member or other authorized requester.

4. Charges for service. There is no charge for most services provided to members or their surviving next of kin. A nominal fee is charged for certain types of service. In most instances service fees cannot be determined in advance. If your request involves a service fee, you will be notified as soon as that determination is made.

5. Health and personnel records. Health records of persons on active duty are generally kept at the local servicing clinic, and usually are available from the Department of Veterans Affairs a week or two after the last day of active duty. (See page 2 of SF180 for record locations/addresses.)

6. Records at the National Personnel Records Center. Note that it takes at least three months, and often up to seven, for the file to reach the National Personnel Records Center in St. Louis after the military obligation has ended (such as by discharge). If only a short time has passed, please send the inquiry to the address shown for active or current reserve members. Also, if the person has only been released from active duty but is still in a reserve status, the personnel record will stay at the location specified for reservists. A person can retain a reserve obligation for several years, even without attending meetings or receiving annual training. (See page 2 of SF180 for record locations/addresses.)

7. Definitions and abbreviations. DISCHARGED -- the individual has no current military status; HEALTH -- Records of physical examinations, dental treatment, and outpatient medical treatment received while in a duty status (does not include records of treatment while hospitalized); TDRL -- Temporary Disability Retired List.

8. Service completed before World War I. National Archives Trust Fund (NATF) forms must be used to request these records. Obtain the forms by e-mail from inquire@nara.gov or write to the Code 6 address on page 2 of the SF 180.

PRIVACY ACT OF 1974 COMPLIANCE INFORMATION

The following information is provided in accordance with 5 U.S.C. 552a(e)(3) and applies to this form. Authority for collection of the information is 44 U.S.C. 2907, 3101, and 3103, and Public Law 104-134 (April 26, 1996), as amended in title 31, section 7701. Disclosure of the information is voluntary. If the requested information is not provided, it may delay servicing your inquiry because the facility servicing the service member's record may not have all of the information needed to locate it. The purpose of the information on this form is to assist the facility servicing the records (see the address list) in locating the correct military service record(s) or information to answer your inquiry. This form is then filed in the requested military service record as a record of disclosure. The form may also be disclosed to Department of Defense components, the Department of Veterans Affairs, the Department of Homeland Security (DHS, U.S. Coast Guard), or the National Archives and Records Administration when the original custodian of the military health and personnel records transfers all or part of those records to that agency. If the service member was a member of the National Guard, the form may also be disclosed to the Adjutant General of the appropriate state, District of Columbia, or Puerto Rico, where he or she served.

PAPERWORK REDUCTION ACT PUBLIC BURDEN STATEMENT

Public burden reporting for this collection of information is estimated to be five minutes per response, including time for reviewing instructions and completing and reviewing the collection of information. Send comments regarding the burden estimate or any other aspect of the collection of information, including suggestions for reducing this burden, to National Archives and Records Administration (NARA), 8601 Adelphi Road, College Park, MD 20740-6001.
