**A Postal Supervisor Has  
Unlimited Power to Change,  
Delete or Enter Time or Codes  
in TACS**

**Fortunately There are Checks  
and Balances**

**Any Time a Supervisor  
Changes, Deletes or Enters  
Time, 3 Things Happen:**

1. The Supervisor's Employee ID is Recorded
2. The Date the Entry was Made  
\*Supervisors Can Make Entries at Any Time Until the Pay Week Closes
3. The Time the Entry was Made  
\*The time is Central Time, not Actual Time For instance if it's 7:00 am in Washington, DC it will say 06.00. In California, it would say 09.00.
